Penn State Hershey Heart & Vascular Institute Primary Care Colloquium

~SYNERGY~
in the treatment of
Cardiovascular Disease

Saturday, September 13, 2014

The Penn Stater
Conference Center Hotel
215 Innovation Blvd
State College, PA 16803

A continuing education service of Penn State College of Medicine

Purpose
Cardiovascular diseases constitute a large proportion of the illnesses and diseases in the medical world. We are fortunate to be living in an era when huge strides are being made to combat these diseases. The dissemination of this information can play a critical role in treating the illnesses. Penn State Hershey Heart & Vascular Institute is striving to increase the awareness of such updates and advances to our primary care colleagues.

Audience
General, internal, and family medicine physicians, physician assistants, nurse practitioners, and nurses may benefit from this colloquium.

Access
Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education at least one week in advance of your participation or visit.

This publication is available in alternative media on request.
The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, genetic information, national origin, race, religious creed, sex, sexual orientation, gender identity, or veteran status and retaliation due to the reporting of discrimination or harassment. Discrimination, harassment, or retaliation against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the Nondiscrimination Policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; tel 814-863-0471/TTY. Credit

4.0 AMA PRA Category 1 Credit(s)™

Nurses will receive a certificate from Penn State College of Medicine verifying their completion of this approved continuing medical education activity

AMA
Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses using AMA Credit
Nurses will receive a certificate from Penn State College of Medicine verifying their completion of this approved continuing medical education activity. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patient care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing at dos.state.pa.us/nurse.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

PENNSTATE HERSHEY
College of Medicine

Agenda

8:00am Registration/Continental Breakfast

8:30 TAVI
Kentaro Yamane, MD, PhD
