PENNSTATE HERSHEY
Faculty and Professional Development

Application Process for nomination for ELAM 2013 for COM and HMC faculty.

Application material to in-house committee is due November 19, 2012. Successful candidate will be contacted in early December to prepare the application to ELAM with a deadline for submission of material by January 17, 2013.

For details of the Executive Leadership in Academic Medicine (ELAM) application and program, which includes three sessions away, please see the ELAM website: http://www.drexelmed.edu/Home/OtherPrograms/ExecutiveLeadershipinAcademicMedicine/ApplicationInformation.aspx.

Application material for in-house committee:

A summary of the applicant's experience and goals that should include:

1) Administrative experience and budget management experience.
2) Description of leadership experiences including numbers of reports for each of these experiences.
3) Record of previous formal and informal professional development program participation, outside of specialty field.
4) Assessment of likely internal/external leadership opportunities over the next 5 years (should be prepared with input from your direct supervisor).
5) Brief outline of a possible leadership project that may be proposed in application.
6) Name of two senior colleagues who will be recommending you. This should include your direct supervisor and another senior colleague (we advise that this should be someone outside your home department).
7) Statement of commitment from you Chair for support for both cost sharing with the Dean and for release from responsibilities to participate in the sessions (**Session I**: September 28 - October 4, 2013; **Session II**: January 5-9, 2014 and **Session III**: April 25 - May 1, 2014).

Please submit the application materials along with a CV to the Office of Professional and Faculty Development. Deadline: November 19, 2012 .
