University of Pennsylvania
School of Medicine
Philadelphia Veterans Affairs
Medical Center
Philadelphia, Pennsylvania

This live educational meeting is designed to improve your knowledge and skill in diagnosing and managing patients with bipolar depression. Participants of this activity will learn to conduct a comprehensive evaluation, use available assessment tools, and apply key data sets on the efficacy, safety, and tolerability of various therapeutic options for the treatment of this mood disorder.

Educational Objectives
Upon completion of this activity, participants will be able to

- Employ a comprehensive approach to assessing and diagnosing patients with bipolar depression
- Apply recent data on the efficacy, safety, and tolerability of various treatment approaches for bipolar depression
- Develop effective strategies to improve patient-practitioner communication with respect to the diagnosis and management of bipolar depression
- Construct individualized treatment plans for patients with bipolar depression
- Modify therapeutic regimens in individual patients with bipolar depression based on their response and tolerability to treatment

Target Audience
This activity has been designed to meet the educational needs of psychiatrists and other clinicians involved in the management of patients with bipolar disorder.

Sponsorship, Credit & Support
Physicians
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Penn State College of Medicine and PVI, PeerView Institute for Medical Education. Penn State College of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The Penn State College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Information about CME credit for this activity is available by contacting Penn State at 717-531-6483 or ContinuingEd@hmc.psu.edu. Reference course # G5277-13-Z.

This CME activity is jointly sponsored by Penn State College of Medicine and PVI, PeerView Institute for Medical Education. This activity is supported by an educational grant from Sunovion Pharmaceuticals Inc.
