

Welcome to the Penn State Heart and Vascular Institute. My name is Harjit Singh and I am the Director of Education in the Institute. As a leading provider of cardiovascular care in central Pennsylvania, we understand that education for our healthcare providers as well as our patients is an important part of advanced diagnosis and treatment of cardiovascular disease. I am here to ensure that the latest information and innovations are shared amongst those involved in your healthcare and that you understand which cutting edge techniques are available to you right now, right here in central Pennsylvania. Empowering the patient to make an informed decision about their own healthcare is a goal of ours and hopefully yours as well.

If you have any questions or concerns, please feel free to contact me at hsingh@psu.edu.

Thank you for allowing us to be a part of your wellness.

Harjit Singh, MD Director of Education The Penn State Heart and Vascular Institute
