PEDIATRIC DERMATOLOGIST
DEPARTMENT OF DERMATOLOGY

The Pennsylvania State University College of Medicine, **Penn State Milton S. Hershey Medical Center and the Penn State Hershey Children's Hospital**, as part of its commitment to excellence in patient care and education, invites applications for a tenure-track, open-rank position in Pediatric Dermatology with a joint appointment in Dermatology and Pediatrics. Successful candidates will have the opportunity to join in a high quality program. We seek a candidate with an M.D. or D.O. degree who has outstanding patient care qualities and a deep commitment to excellence in education and clinical research. Candidates will have the opportunity for participation in resident and medical student education.

This position provides an opportunity to: 1) Propel a strong Department into the next generation of academic dermatology (http://www.pennstatehershey.org/dermatology); 2) Work with dynamic scientists and clinicians; and 3) Live in the wonderful Hershey environs, (ranked 2nd by Forbes as one of American's best places to raise a family). The attachments provide some "Fast Facts" about Penn State Hershey, Penn State College of Medicine and Penn State Children's Hospital as well as the Hershey area.

This is an outstanding opportunity to contribute to an established and a highly interactive Dermatology Department with a national reputation for academic excellence and clinical quality.

Salary and academic appointment are commensurate with qualifications.

The Pennsylvania State University is an affirmative action, equal opportunity employer. Women and minorities are encouraged to apply.
