

PARTICIPATION

This program is designed to provide continuing education for Ophthalmic Medical Personnel who perform or are interested in ophthalmic imaging. One of the program goals is encouraging the exchange of information between professional peers. Please consider participating in the program by presenting a short topic you would like to share during "Pearls, Tips and Tactics". Presentations will be 10-15 minutes and can include technical tactics, troubleshooting tips, case presentations, or photo essays. Use your imagination! If you would like to participate, list your name and topic below. Feel free to contact us to brainstorm ideas.

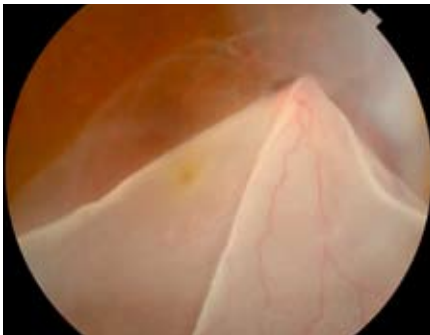

Name: _____

Topic: _____

CAMPUS MAP

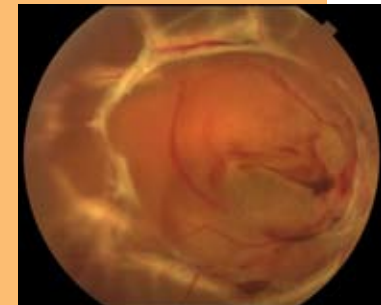

Campus Overview

Attendees may enter the Hershey Medical Center Campus from Rt. 322 via the University Drive entrance. Turn right onto Campus Drive continuing west to Parking Lot B. This is a gated parking lot, however on weekends the west gate (red arrow) opens without an access card for visitor parking.

Please proceed to the College of Medicine entrance (14) and take the College Elevators to the Fourth Floor. Turn right out of the elevators and walk to the end of the hall. Turn right thru the door and continue down the hallway to the next door. Pass thru this door and turn right, Lecture Room A will be just down the hall on the left.
