# Is your child safe in the car?

Four out of five children are NOT traveling safely!

Call 717-531-SAFE to make an appointment with a certified child passenger safety technician.

PENNSTATE HERSHEY

Children's Hospital

Safe Kids Dauphin County, led by Penn State Hershey Children's Hospital, operates three permanent car seat inspection stations in the area. Certified child passenger safety technicians can help you learn safe travel for you and your family.
