

Signing Up for a Proteus/Geneus LabLink LIMS Account

- 1. Request a LabLink account by clicking one of the following links.
 - a. For a **Proteus LabLink LIMS** account, go to https://proteus.hmc.psu.edu:8443/lablink/NewClient.do.
 - b. For a **Geneus LabLink LIMS** account, go to https://geneus.hmc.psu.edu:8443/lablink/NewClient.do.

For your username fill in your Penn State Access Account ID (e.g., bas12).

(NOTE: For external customers, before you can request a LabLink account you will need a Friends of Penn State ID, which you can apply for by following the "Create an Account" link and instructions at https://fps.psu.edu/)

- 2. When your account request has been approved by IT (usually takes 3-4 days), you will receive an email with your username and temporary password, which you can then use to login to **Submit Sample/Analysis Requests** or **Retrieve Data** as follows:
 - a. For **Proteus LabLink**, log in at: http://proteus.hmc.psu.edu
 - b. For **Geneus LabLink**, log in at: http://geneus.hmc.psu.edu
- 3. The first time you log on to either system, please change your password to something you can remember.
