## PENN STATE HERSEY HEART & VASCULAR INSTITUTE PRIMARY CARE COLLOQUIUM

# *Synergy in the Treatment of Cardiovascular Disease*

**Saturday, January 26, 2013**

**Bay City Restaurant**

110 Eisenhower Drive  
Hanover, Pennsylvania 17331

A continuing education service of Penn State College of Medicine

PENNSTATE HERSEY  
 College of Medicine

## Purpose/Audience

Cardiovascular diseases constitute a large proportion of the illnesses and diseases in the medical world. We are fortunate to be living in an era when huge strides are being made to combat these diseases. The dissemination of this information can play a critical role in treating the illnesses. Penn State Hershey Heart & Vascular Institute is striving to increase the awareness of such updates and advances to our primary care colleagues.

General, internal, and family medicine physicians, physician assistants, nurse practitioners, and nurses may benefit from this colloquium.

## Credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 2.75 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

Nurses will receive a certificate from Penn State College of Medicine verifying their completion of this approved continuing medical education activity. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patient care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing at [dos.state.pa.us/nurse](http://dos.state.pa.us/nurse).

Penn State has approved this program for 0.3 Continuing Education Units (CEUs).

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

## Program

NOTE: The bulleted items found in the program are the learner objectives for the session.

- 8:00 a.m.** Registration/Continental Breakfast
- 8:30** Treatment Options for Advanced Heart Failure: Keeping Your Patient at Home  
**Barry S. Clemson, MD, FACC, FAHA, FACP**<sup>o\*</sup>  
Assistant Professor of Medicine, Division of Cardiology
- Discuss the methods of optimizing outpatient heart failure management, as well as strategies to avoid hospitalization of the patient living with heart failure
- 8:50** Metabolic Syndrome  
**Denise A. Rhodes, RN, MS Nursing, APN-C**<sup>o\*</sup>  
Family Practice Nurse Practitioner
- Discuss patient risk factors and multiple treatment options for the patient with metabolic syndrome
