PENNSTATE HERSEY

College of Medicine

A continuing education service of Penn State Hershey College of Medicine and
Penn State Hershey Medical Center, Department of Orthopaedics and Rehabilitation

Objectives

Upon completion of this activity, participants should be able to:

- Discuss the clinical workup and appropriate diagnosis of rotator cuff tear
- Formulate a logical and evidence-based treatment strategy for the treatment of rotator cuff tears
- Describe the latest, innovative treatment options for rotator cuff tears, specifically reverse shoulder arthroplasty, biologic augmentation and muscle transfers

Credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of **2.25 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

Fee

There is no fee for this program, but registration is required.

Registration
