

Nursing Publications, Presentations, and Scholarly Work January – December 2014

Publications

Albright, P., Du, P., Haas, R.E., & Pugh, L.C. (2014). Evidence-based screening for low bone mineral density in HIV-infected men. *Journal of the Association of Nurses in AIDS Care*, 25(6), 532-540.

American Academy of Ambulatory Care Nursing (**Mills, J.**, Task Force Member). (2014). *Ambulatory registered nurse residency white paper: The need for an ambulatory nurse residency program*. Pitman, NJ.

Brehm, B., & Fenush, J. K. (2014). Implementation of a sharps hotline: Promoting needlestick safety and enhancing compliance. *Journal of the Association of Occupational Health Professionals in Healthcare*, 34(2), 30-33.

Doheny, K. K., Palmer, C., Browning, K. N., Jairath, P., Liao, D., He, F., & Travagli, R. A. (2014). Diminished vagal tone is a predictive biomarker of necrotizing enterocolitis-risk in preterm infants. *Neurogastroenterology and Motility*, 26(6), 832-40.

Frankenfield, D. (2014). *Nutritional physiology of the critically ill patient*. Chapter in: *Nutrition in Critical Care*. New York, NY: Cambridge University Press.

Gordner, C. (2014). The child with Graves Disease. *Journal of Pediatric Nursing*, 29(3), 288-290.

Hollenbeak, K.K., Hollenbeak, M.S., & Hollenbeak, C.S. (2014). Marriage improves outcomes for patients with renal cell carcinoma. *Kidney Cancer Journal*, 12, 92-96.

Luchs, S., & Larson, J. (2014). Redesigning labor management for enhanced quality of care. *Medical Group Management Association Connection Magazine*.

Manthur, P., Zurio, J., **Albright, P.**, Crook, T., Whitener, C., & Du, P. (2014). Rising syphilis infection among rural HIV-infected men who routinely received risk-reduction counseling: New challenges to HIV prevention in clinical care. *Journal of AIDS and Clinical Research*, 5(8), 333-338.

Merkel, L., Beers, K., **Lewis, M., Stauffer, J.**, Mujsce, D.J., & Kresch, M.J. (2014). Reducing unplanned extubations in the NICU. *Pediatrics*, 133(5), e1367-e1372.

Morrison, K. (2014). *Fast Facts for Stroke Care Nursing*. New York, NY: Springer Publishing Company.

Ostrov, B.E., **Reynolds, K.**, & Scalzi, L.V. (2014). Patient preferences and satisfaction in a multispecialty infusion center. *Patient Preference and Adherence*, 8, 755-761.

Pazuchanics, S. (contributor) (2014). *Fast Facts for Stroke Care Nursing*. New York, NY: Springer Publishing Company.

Popernack, M.L., Gray, N., & Reuter-Rice, K. (2014). Moderate to severe traumatic brain injury in children: Complications and rehabilitation strategies. *Journal of Pediatric Health Care*, 29(3), 1-7.

Rhoads, D. (2014). Radial artery access and the Seldinger technique. In: *ARIN Core Curriculum for Radiologic and Imaging Nursing, 3rd Edition*. ARIN Publications.

Schirm, V., Miller, N., Frankenfield, D., & Maguire, M. (2014). Incidence of hospital-acquired pressure ulcers and the association with nutritional status. *Journal of Wound Ostomy and Continence Nurses*, 41(3S), S3-S4.

Shaw, T. (2014). Bladder cancer support groups: An unmet need. *2014 Oncology Nursing Society Annual Congress: Podium and Poster Session Abstracts*, 41(2): e153-4.

Vender, R.L., Betancourt, M.F., Lehman, E.B., Harrell, C., Galvan D., & **Frankenfield, D.** (2014). Prediction equation to estimate dead space to tidal volume fraction correlates with mortality in critically ill patients. *Journal of Critical Care*, 29, 317.

Wikle-Shapiro, T.J. (2014). Stem cell transplantation. In: *Core Curriculum in Oncology Nursing, 5th Edition*. Philadelphia, PA: W.B. Saunders Company.

Podium and Poster Presentations

Bechtel, L. S., Brawner, A., Kraus, E., & Rhoads, M. (2014, March). *Innovative strategies and interprofessional partnerships to provide quality care to anti-NMDA paraneoplastic encephalitis patient.* Poster presented at the American Association of Neuroscience Nurses' 46th Annual Educational Meeting, Anaheim, CA.

Bechtel, L., Marks, D., & Ward, M. (2014, October). *Steering interprofessional teams to real-time quality metrics.* Podium presentation at the ANCC National Magnet Conference, Dallas, TX.

Brelsford, G., **Doheny, K. K.**, Veneman, K., & Ramirez, J. (2014, August). *Religious coping and family relationships in the NICU.* Poster presented at the American Psychological Association Annual Convention, Washington, DC.

Doheny, K. K. (2014, February). *Music and mother's voice as a therapeutic intervention for convalescing preterm infants in the NICU.* Poster presented at the 76th Annual Gravens Conference on the Physical and Developmental Environment of the High Risk Infant, Clearwater, FL.

Ewing, C., & **Fuhrer, D.** (2014, August). *Because I understand what you're going through: Patient/family mentor program in adult patient population.* Poster presented at the 6th International Conference on Patient- and Family-Centered Care: Partnerships for Quality and Safety, Vancouver, Canada.

Farnan, M., Smeltz, E., Glod, S., Corcoran, A., Freeman, M., Parson, N., & Kreher, M. (2014, October). *Palliative care screening tool: Does utilization promote early integration of palliative care for inpatient oncology patients?* Poster presented at the Palliative Care in Oncology Symposium, Boston, MA.

Fenush, J., & Barry, R. (2014, November). *Piddle, fiddle, and diddle: Reducing incidental worked time and unleashing the unknown savings.* Poster presented at the American Nurses Association Staffing Conference, New Orleans, LA.

Fuhrer, D., & Lesoine, H. (2014, August). *Creating the NICU Advisory Council: Family-centered from the start.* Poster presented at the 6th International Conference on Patient- and Family-Centered Care: Partnerships for Quality and Safety, Vancouver, Canada.

Gordner, C., Chang, Y., & Wenner, W. (2014, May). *Hypopituitarism in an infant with hyperbilirubinemia*. Poster presented at the Pediatric Endocrinology Nursing Society Annual Convention, Louisville, KY.

Gordner, C., & Mueller, P. (2014, May). *Systemic reaction following histrelin subdermal implant in a female with central precocious puberty*. Poster presented at the Pediatric Endocrinology Nursing Society Annual Convention, Louisville, KY.

Hollenbeak, K., Mellott, L. D., Griffith, K., & Wright, A. (2014, March). *Early tracheostomy in the intensive care unit*. Poster presented at the University Health Consortium/American Association of Colleges of Nursing Residency Program Annual Meeting, Amelia Island, FL.

Hunter Shields, J. (2014, April). *Decreasing the incidence of central line associated bloodstream infection in children at home on parenteral nutrition with short bowel syndrome*. Poster presented at the Eastern Nursing Research Society Conference, Boston, MA.

Hunter Shields, J. (2014, April). *Decreasing the incidence of central line associated bloodstream infection in children at home on parenteral nutrition with short bowel syndrome*. Poster presented at the EBP and Nursing Research: Hardwiring Excellence from the Bedside to the Boardroom Conference, Gettysburg, PA.

Hunter Shields, J. (2014, April). *Decreasing the incidence of central line associated bloodstream infection in children at home on parenteral nutrition with short bowel syndrome*. Poster presented at the PA Higher Education Nursing Schools Association Spring Meeting, Harrisburg, PA.

Hunter Shields, J. (2014, April). *Decreasing the incidence of central line associated bloodstream infection in children at home on parenteral nutrition with short bowel syndrome*. Poster presented at the Pinnacle Health 23rd Annual Nursing Research Conference, Harrisburg, PA.

Kanaskie, M. L. (2014, April). *The experience of cognitive change in women with breast cancer following chemotherapy*. Paper presentation at the 26th Annual Eastern Nursing Research Society Conference: Promoting Health through Nursing Science scientific sessions, Philadelphia, PA.

Knehans, A., & **Schirm, V.** (2014, May). *A partnership in introducing and promoting Nursing Reference Center at the point of care*. Poster presented at the Medical Library Association Annual Meeting and Exhibition, Chicago, IL.

Kopp, M., Conrad, R., Meinert, P., Snyder, M., & Frazee, B. (2014, May). *The rainbow connection: Collaborative academic partnerships in oncology nursing designed to recruit and retain graduate nurses.* Poster presented at the Oncology Nursing Society 39th Annual Congress, Anaheim, CA.

Kopp, M., Donaldson, K., & Abendroth, T. (2014, October). *Safe guarding resources through partnership, technology, and education.* Podium presentation at the ANCC National Magnet Conference, Dallas, TX.

Langley, A., & Roush, H. (2014, October). *Expanding the educational walls: Providing LVAD education to community care providers.* Poster presented at the National League for Nursing Annual Technology Conference: What's Happening Now?, Nashville, TN.

Marks, D., Ward, M., & Loser, M. (2014, December). *Real time quality initiatives dashboard within the electronic medical record.* Poster presented at the Annual Institute for Healthcare Improvement National Forum on Quality Improvement in Healthcare, Orlando, FL.

Meinert, P. (2014, July). *Achieving higher levels of education by nurses: The role of the nursing professional development specialist.* Podium presentation at the Association for Nursing Professional Development Annual Convention, Orlando, FL.

Miller, N., Schirm, V., Maguire, M., Frankenfield, D., & Lehman, E. (2014, June). *Incidence of hospital acquired pressure ulcers and the association with nutritional status.* Poster presented at the Wound, Ostomy, and Continence Nurses Society 46th Annual Conference, Nashville, TN.

Miller, N., Schirm, V., Maguire, M., Frankenfield, D., & Lehman, E. (2014, June). *Incidence of hospital acquired pressure ulcers and the association with nutritional status.* Podium presentation at the Wound, Ostomy, and Continence Nurses Society 46th Annual Conference, Nashville, TN.

Mills, J., Hoffmann, M., & Rudy, S. (2014, May). *The first 4 minutes drill: Simulation-based training to improve team communication and emergency responses in the ambulatory care setting.* Poster presented at the American Academy of Ambulatory Care Nursing 39th Annual Conference, New Orleans, LA.

Mills, J., Cardenas, D., Hoffman, M., Klingaman-Palm, S., & Sheaffer, P. (2014, October). *Building an effective model of ambulatory practice site management through shared*

governance and servant leadership. Poster presented at the ANCC National Magnet Conference, Dallas, TX.

Moore, C., Shamus, L., & Montani, R. (2014, August). *Gastric vs. post-pyloric tube feeding.* Poster presented at the 19th Annual Challenges in Critical Care Conference, Hershey, PA.

Morrison, K. (2014, February). *Addition of the post stroke checklist to standard outcome measures provides unique information relevant to stroke recovery.* Poster presented at the International Stroke Conference, San Diego, CA.

Morrison, K. (2014, February). *Identifying unmet needs 30 days following ischemic stroke: The post stroke checklist.* Poster presented at the International Stroke Conference, San Diego, CA.

Morrison, K. (2014, March). *Why we do what we do: A story of stroke recovery 4 years out.* Podium presentation at the American Association of Neuroscience Nurses' 45th Annual Educational Meeting, Charlotte, NC.

Morrison, K., & Humbert, J. (2014, February). *Improving nursing practice through telestroke partnerships.* Poster presented at the International Stroke Conference, San Diego, CA.

Oji-Mmuo, C., **Doheny, K. K.**, Palmer, C., & Michael, E. (2014, May). *Skin conductance provides early objective identification of opiate withdrawal.* Poster presented at the Pediatric Academic Societies Meeting, Vancouver BC, Canada.

Passi, R., **Doheny, K. K.**, & Palmer, C. (2014, May). *The physiologic effects of grounding preterm infants in the NICU.* Poster presented at the Pediatric Academic Societies Meeting, Vancouver BC, Canada.

Popernack, M.L. (2014, May). *Life interrupted: Pediatric spinal cord injury.* Podium presented at the American Association of Critical Care Nurses National Teaching Institute and Critical Care Exposition, Denver, CO.

Riemony, S., Gonzalez, L., & Barlett, E. (2014, September). *Evaluation of nurses' perception and attitude toward use of an oral patient controlled analgesia device.* Poster presented at the American Society for Pain Management Nursing Conference, San Diego, CA.

Rudy, A. (2014, May). *When you've done all you can do: Structured family meetings for end-of-life care in the ICU.* Podium presentation at the National Teaching Institute and Critical Care Exposition, Denver, CO.

Shaw, T. (2014, May). *Bladder cancer support groups: An unmet need.* Poster presented at the Oncology Nursing Society 39th Annual Congress, Anaheim, CA.

Snyder, M.J., Ciano, C., Kopp, M., & Meinert, P. (2014, September). *Making connections: The clinical capstone experience and academic partnerships.* Poster presented at the National League for Nursing Education Summit, Pheonix, AZ.

Specht, J., Pankratz, L., & Densmore, R. (2014, December). *Regulatory and accreditation basics 101 course: Knowledge dissemination for supervisory and front-line staff.* Poster presented at the Annual Institute for Healthcare Improvement National Forum on Quality Improvement in Healthcare, Orlando, FL.

Stein, C., & Lau, L. (2014, May). *The effects of chlorhexidine bathing on reducing central line associated blood stream infections.* Poster presented at the Oncology Nursing Society 39th Annual Congress, Anaheim, CA.

Sukeena, J., Tribioli, W., Sheaffer, S., & Hrenuik, L. (2014, June). *Empowering patients, partnering in pain management using Medication on Demand MOD.* Poster presented at the Association of Women's Health, Obstetric, and Neonatal Nurses Annual Convention, Orlando, FL.

Sunderland, N., Villanueva, N., & Pazuchanics, S. (2014, March). *External ventricular drain: Adequate trending of intracranial pressure using the open/monitor method.* Poster presented at the American Association of Neuroscience Nurses' 46th Annual Educational Meeting, Anaheim, CA.

Sunderland, N., Wachter, S., Hart, P., & Myers, J. (2014, October). *The three R's of quality of worklife: Relationships, retention, and recognition.* Poster presented at the ANCC National Magnet Conference, Dallas, TX.

Villanueva, N. (2014, March). *Central nervous system infections: Bugs and drugs.* Podium presentation at the American Association of Neuroscience Nurses' 46th Annual Educational Meeting, Anaheim, CA.

Villanueva, N. (2014, March). *Patient mobilization: An evidence-based practice project.* Podium presentation at the American Association of Neuroscience Nurses' 46th Annual Educational Meeting, Anaheim, CA.

Zeiner, V., Storm, H., & **Doheny, K. K.** (2014, October). *Autonomic and behavioral stress responses in low birth weight preterm infants during nurse handling in the NICU.* Poster presented at the 5th European Academy of Pediatric Societies Meeting, Barcelona, Spain.

Other Scholarly Activities, Invited Presentations, Symposia, and Panels

Bortner, T. (2014, August). *Hands only CPR: The science and strategies for integration into your curriculum.* Invited presentation at the School Nurse Update, Hershey, PA.

Cox, L. (2014, October). *What's new in acute and critical care?* Invited presentation at the Susquehanna Valley Chapter of the American Association of Critical Care Nurses, Harrisburg, PA.

Fenush, J., & Barry, R. (2014, November). *Technology: Harness the power of technology to keep staffing in sync with demand.* Invited presentation at the American Nurses Association Staffing Conference, New Orleans, LA.

Frankenfield, D. (2014, March). *Development and validation of predictive equations for energy expenditure.* Invited presentation at the Brigham Young University Department of Nutrition, Dietetics, and Food Science, Provo, UT.

Frankenfield, D. (2014, October). *Predicting energy and protein requirements in hospitalized patients.* Invited presentation at the New York/Long Island Chapter of the American Society for Parenteral and Enteral Nutrition's Annual Fall Symposium, Plainview, NY.

Frazier, S. (2014, September). *Heart failure: Keeping your patient at home.* Invited presentation at the Synergy in the Treatment of Cardiovascular Disease Colloquium, State College, PA.

Kanaskie, M.L. (2015, November). *Love, courage, and honor: Meaning for today's nurse.* Invited presentation at the 25th Annual Sigma Theta Tau Induction Ceremony for Messiah College, Mechanicsburg, PA.

Miller, N., & Maguire, M. (2014, September). *Nutrition assessment for predicting pressure ulcer risk.* Invited presentation at the South Central PA Evidence-Based Practice Consortium, Hershey, PA.

Morrison, K. (2014, April). *Addition of the post stroke checklist to standard outcome measures provides unique information relevant to stroke recovery.* Poster presented at the Neuroscience Nursing Conference, Hershey, PA.

Morrison, K. (2014, April). *Identifying unmet needs 30 days following ischemic stroke: The post stroke checklist.* Poster presented at the Neuroscience Nursing Conference, Hershey, PA.

Morrison, K. (2015, April). *Room for improvement, Owning your stroke patients' outcomes.* Invited presentation at the Neuroscience Nursing Conference, Hershey, PA.

Morrison, K., & Humbert, J. (2014, April). *Improving nursing practice through telestroke partnerships.* Poster presented at the Neuroscience Nursing Conference, Hershey, PA.

Morrison, K., & Humbert, J. (2014, April). *Why we do what we do: A story of stroke recovery 4 years out.* Poster presented at the Neuroscience Nursing Conference, Hershey, PA.

Riemony, S. (2014, September). *Use of an oral patient controlled pain management device.* Invited presentation at the South Central PA Evidence-Based Practice Consortium, Hershey, PA.

Reviewer Activities

Morrison, K. (2014). Abstract reviewer for State-of-the Science Stroke Nursing Symposium.

Funded Research and Scholarly Projects

Doheny, K. K. (2014-18). *Vagal dysregulation in neonatal gastrointestinal pathology.* Grant project (\$2,214,899) sponsored by the National Institutes of Health, National Institute of Diabetes and Digestive and Kidney Diseases.

Doheny, K. K. (2012-14). *Spirituality, coping, and perceptions of parenting competency in NICU parents.* Grant project (\$10,000) sponsored by Penn State Interdisciplinary Seed, Hershey, PA.

Doheny, K. K. (2011-14). *Music and mother's voice as a complement to sedation in critically ill infants.* Grant project (\$20,000) sponsored by Children's Miracle Network.

Messner, E. (2014-15). *A rapid process improvement initiative involving the Roland Responder 5 call bell system.* Grant project (\$4000) sponsored by the Junior Faculty Development Program, Hershey, PA.

Schirm, V., & Law, K. (2014-15). *Pressure ulcer prevention in the operating room: Process and outcomes evaluation.* Grant project (\$25,000) sponsored by Cardinal Health Foundation.
