

# PENNSTATE HERSHEY Milton S. Hershey Medical Center

A Continuing Education Service of Penn State College of Medicine

# Purpose

Gastrointestinal diseases affect an estimated 60 to 70 million US citizens annually. This course will provide an overview of the latest issues in clinical gastroenterology and hepatology. Upon completion of this program, course participants should demonstrate comprehensive knowledge of critical issues in gastroenterology including refractory GERD, achalasia, celiac disease, the performance of colonoscopy, IBD health maintenance, treatment of Hepatitis C, and complications of cirrhosis.

# Audience

Gastroenterologists, internal medicine and family physicians, physician assistants, nurse practitioners, and nurses may benefit from attending this program.

This publication is available in alternative media on request.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristies not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, genetic information, national origin, race, religious creed, sex, sexual orientation, gender identity, or veteran status and retaliation due to the reporting of discrimination or harassment. Discrimination, harassment, or retaliation against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the Nondiscrimination Policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; tel 814-863-0471/TTV. U.Ed. MED E5426-14-Y

# Credit

- 3.5 AMA PRA Category 1 Credit(s)™
- Nursing credit—3.5 hours of approved continuing medical education
- AAFP—pending credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### Substituting credit for nursing credit:

Nurses will receive a certificate from Penn State College of Medicine verifying their participation in 3.5 hours of approved continuing medical education. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patienzt care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing at: <a href="https://www.dos.state.pa.us/nurse">www.dos.state.pa.us/nurse</a>.

Application for CME credit has been filed with the American Academy of Family Practitioners (AAFP). Determination of credit is pending.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.
