Update on ~Chronic~ Kidney Disease

Tuesday, April 15, 2014

Audience/Purpose
This program is designed to update nephrologists, physicians, physician assistants, certified registered nurse practitioners, dialysis nurses and technicians, renal social workers, renal dietitians, and other interested health-care professionals on recent medical advances in the care of patients with Chronic Kidney Disease (CKD). This conference will help practitioners attain the knowledge and skills to maintain competency in the management of patients with CKD.

CKD and the resultant end-stage renal disease (ESRD) are significant global public health problems. At the end of 2011, more than 615,000 patients were receiving ESRD treatment in the U.S. Approximately 113,000 patients began dialysis, and nearly 18,000 received a transplant. CKD is among the major contributors to years of life lost due to premature mortality, leading to 60,000 annual deaths. In addition to the physical morbidity, CKD is associated with high prevalence of major depressive episodes and consequently has significant negative effects on quality of life (QOL). Poor QOL has, in turn, been correlated with mortality among CKD patients. This conference will help practitioners attain the knowledge and skills to maintain competency in the management of patients with CKD.

Accommodations
Overnight accommodations are the responsibility of program participants. A list of accommodations in the Hershey area is available on request or online at pennstatehershey.org/web/patientcare/patient/visitorinformation/justforyou.

Access
Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education at least one week in advance of your participation or visit.

Credit
This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Penn State College of Medicine, The Kidney Foundation of Central Pennsylvania, the Susquehanna Valley Chapter of the American Nephrology Nurses’ Association, Lancaster General Health and The Renal Network, Inc. Penn State College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA
Penn State College of Medicine designates this live activity for a maximum of 5.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PA State Nurses Association
5.0 contact hours awarded.

PA Dietetic Association
Application has been made for 5.0 credits from the Pennsylvania Dietetic Association.

Social Work
Penn State is an approved provider as defined by Pa. Code Sections 47.36(a)(3), 48.36(a)(3), and 49.36(a)(3). Social workers, marriage and family therapists, and professional counselors licensed by the state of Pennsylvania can earn 5.0 clock hours of continuing education for completing this course.

Penn State is an approved provider as defined by Pa. Code Sections 47.36(a)(3), 48.36(a)(3), and 49.36(a)(3). Social workers, marriage and family therapists, and professional counselors licensed by the state of Pennsylvania can earn 5.0 clock hours of continuing education for completing this course.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.
Faculty

Laurence Carroll, MD, FASN, FNKF
