Access—Fenn State encourages persons with disabilities to participate in 11s programs and activities. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education at least one week in advance of your participation or visit. The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University polity or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harsasment, against any person because of age, ancestry, color, disability or handicap, genetic information, national origin, race religious creed, sex, sexual orientation, gender identity, or veteran status. Discrimination or harassment against faculty, staff, or students will not be tolerated at The Pennsylvania State University, Direct all inquiries regarding the nondiscrimination policy to the Affirmative Action Director, The Pennsylvania Stat University, 228 Boucke Building, University Park, PA 16802-5901; Tel 814-865-4700V; 814-865-047UTT

6TH ANNUAL Spring Course 2013 GASTROENTEROLOG HEPATOLO Saturday, June 8, 2013 HERSHEY® Country Club 1000 East Derry Road Hershey, Pennsylvania 17033 PENNSTATE HERSHEY College of Medicine A continuing education service of Penn State College of Medicine Hershey® is a trademark used with permission

PURPOSE

Gastrointestinal diseases affect an estimated 60 to 70 million US citizens annually. Chronic hepatitis C affects 2–3% of the US population. Acute pancreatitis is the number one cause of hospitalization for gastrointestinal diseases in the US. This seminar will also address the increasingly complex treatment of inflammatory bowel disease (IBD), including new treatment options and evolving therapies to improve patient outcomes and manage risk.

AUDIENCE

Gastroenterologists, internal medicine and family physicians, physician assistants, nurse practitioners, and nurses may benefit from attending this program.

FEE

The fee for this program is \$50 and includes the cost of instruction, handout materials, break refreshments, and lunch. There is no fee for Penn State Milton S. Hershey Medical Center Division of Gastroenterology and Hepatology residents and fellows; please include verification from supervisor with registration.

REGISTRATION

Register online, by fax, or by mail. Registrations will be confirmed by email upon receipt of payment, authorization to bill, or a credit card guarantee. If you do not receive a confirmation within two weeks, phone 717-531-6483 to confirm your registration. Walk-ins and late registrations can be accepted only if space is available.

CANCELLATION POLICY

Cancellations received after May 31, 2013, will be assessed a \$25 processing fee. No refunds will be made for cancellations received after June 4, 2013. Substitutes are accepted at any time.

Please provide a cell phone number so we can reach you in the event of last-minute changes or cancellations. The University may cancel or postpone any course or activity. If a program is canceled or postponed, the University will refund registration fees but is not responsible for any related costs, charges, or expenses, including cancellation/ change charges assessed by airlines or travel agencies. Preregistered participants will be notified if a program is filled or canceled.
