Practical, Evidence-Based Medicine for the Primary Care Clinician

A continuing education service of
Penn State College of Medicine

PENNSTATE HERSEY
 College of Medicine

Purpose/Audience

This conference is designed to teach primary care physicians, physician assistants, and nurse practitioners clinically useful topics from various areas of medicine. Medical staff from Penn State will present reviews and updates of the latest medical evidence in sports medicine, dermatology, holistic medicine, cardiology, infectious disease, neurology, endocrinology, and preventive care.

Credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 8.0 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This live activity, Practical Evidence-Based Medicine for the Primary Care Clinician, with a begin date of Friday, August 16, 2013, has been reviewed and is acceptable for up to 8.0 credit(s) by the American Academy of Family Physicians.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

Fee

The cost for this program is \$150 per person or \$65 for residents and students (include verification of your resident/student status). The fee includes the cost of instruction, handouts, lunch, and break refreshments.

You can pay for your registration by check, request to bill employer, or VISA, MasterCard, or AMEX.

Registration

Register online, by fax, or by mail. Registrations will be confirmed by email upon receipt of payment, authorization to bill, or a credit card guarantee. If you do not receive confirmation from Penn State within two weeks, phone Continuing Education at 717-531-6483 to confirm your registration. Walk-ins and late registrations can be accepted only if space is available.

Cancellation Policy

Cancellations received later than August 9, 2013, will be assessed a \$25 processing fee. No refunds will be made for cancellations received after August 13, 2013. Substitutes are accepted at any time.

The University reserves the right to cancel or postpone any course because of insufficient enrollment or other unforeseen circumstances.

Please provide a cell phone number so we can reach you in the event of last-minute change or cancellation.

If a program is canceled or postponed, the University will refund registration fees but is not responsible for any related costs, charges, or expenses, including cancellation/change charges assessed by airlines or travel agencies. Preregistered participants will be notified if a program is filled or canceled.

Access

Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education at least one week in advance of your participation or visit.

This publication is available in alternative media on request.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, genetic information, national origin, race, religious creed, sex, sexual orientation, gender identity, or veteran status. Discrimination or harassment against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the nondiscrimination policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park PA 16802-5901; Tel. 814-865-4700/V, 814-863-0471/TTY. U.Ed. MED 14-054

Program

NOTE: The bulleted items found in the program are the learner objectives for the session.

- 7:15 a.m. Continental Breakfast/Final Registration
- 7:45 **Welcome and Introductions**
- 8:00 **Matters of the Heart: Let's Tame the Irregularly Irregular**
Jay Zimmerman MD*
 Assistant Professor
 Family and Community Medicine
- Efficiently diagnose atrial fibrillation on EKGs
 - Discuss how and when to prescribe anticoagulants
- 8:45 **When Walk-In Clinic Becomes Sports Medicine Clinic**
George Pujalte, MD*
 Assistant Professor of Family and Community Medicine and Orthopaedics and Rehabilitation
- Describe conditions in which x-rays are necessary, optional, or not necessary
 - Discuss conditions that will benefit from splinting/bracing
- 9:30 Morning Break/Visit Exhibits
- 9:45 **Winning the War on Bugs: An Antibiotic Update**
John Sheffield, MD*
