

Penn State Hershey Psychiatry is recruiting in-patient and consultation-liaison psychiatrists for its growing faculty. With our clinical partner, Pennsylvania Psychiatric Institute, the Department staffs three clinics, with outpatient and partial hospital programs for children and adults, 58 adult and 16 child/adolescent beds, ECT and other neuromodulation services, specialty sleep and eating-disorders programs, and expanding psychiatric consultation for consultation for Penn State Milton S. Hershey Medical Center. Our current psychiatry faculty numbers 52, with planned increases, plus 24 residents and fellows, also likely to expand. We are about to start a new Psychology Internship. We have a growing research portfolio and new research groups about to join us, with basic and clinical science and close collaboration with allied neuroscience disciplines at several Penn State campuses.

Successful candidates should have strong clinical and teaching skills and, optimally, potential for scientific and scholarly achievement. We offer a very attractive compensation package commensurate with qualifications.

Central Pennsylvania fosters a delightful quality of life, with ready access to major metropolitan areas like D.C., Baltimore, Philadelphia, and NYC, while placing you in a picturesque and historic environment, with superb schools and varied recreation.

Candidates with interest and skills in these areas should send a curriculum vitae and cover letter to:

Alan J. Gelenberg, M.D. Shively/Tan Professor and Chair Penn State Milton S. Hershey Medical Center Department of Psychiatry, H073 500 University Drive, P.O. Box 850 Hershey, PA 17033 Phone: 717 531 8516

Phone: 717.531.8516 Fax: 717.531.6491
