Purpose
This series is designed to increase awareness of social work roles in medical and other settings and to promote social work education for social work professionals.

Goals of the series include:
• Celebrating social work month by providing ongoing educational opportunities to professionals in central and eastern Pennsylvania
• Meeting the educational needs and interests identified through participant surveys and comments

Access
Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education at 717-531-6483 at least one week in advance of your participation.

Parking Note
Program participants are asked to park on any of the top three levels of the Centerview Parking Garage or the larger surface lot (Lot L) to the west of the garage on the Hershey Medical Center campus. Free express shuttle service is available from Centerview Parking Garage to the main hospital entrance. More information on parking will be provided in your confirmation letter.

Credit
Penn State is an approved provider as defined by Pa. Code Sections 47.36(a)(3), 48.36(a)(3), and 49.36(a)(3). Social workers, marriage and family therapists, and professional counselors licensed by the state of Pennsylvania can earn 12 clock hours of continuing education (or 3 credits per session) for completing this course.

Fee (per person)
$80—registrations received prior to program
$105—registrations received the day of the program

Includes:
• Program Materials
• Break Refreshments
• Cost of Instruction

Participants may choose to attend three or less individual days in the series, but there is no reduction in the fee. Due to material and administrative costs, a registration may not be split between two or more people.

Cancellation Policy
Cancellations received later than:
February 27, 2015
will be assessed a $25 processing fee.

No refunds
After March 5, 2015
Substitutes are accepted at any time.

The University reserves the right to cancel or postpone any course or activity because of insufficient enrollment or other unforeseen circumstances.

Please provide a cell phone number so we can reach you in the event of last-minute changes or cancellation. If a program is canceled or postponed, the University will refund registration fees but cannot be held responsible for any related costs, charges, or expenses, including cancellation/change charges assessed by airlines or travel agencies. Preregistered participants will be notified if a program is filled or canceled.
Tuesday, March 24, 2015

8:00 am Final Registration
8:30 The Future Ethics of Alzheimer’s?: You Decide
   Daniel R. George, PhD, MSc*
   • Identify current shifts to a “pre-disease” component of cultural competency
   • Explain how religious literacy is an important aspect of future societal approaches to Alzheimer’s

8:30 The Road to DSM-V: Is That All There Is?
   Roger Meyer, MD*
   • Compare the differences between DSM-V and previous iterations of DSM and earlier formulations of addiction
   • Discuss the ramifications of the new diagnostic criteria in terms of translational research and medications development
   • Describe the ramifications for the future of parity and the current system of addiction services

10:00 Break/Visit Exhibitors
10:20 Patient Incapacity Issues
   Nicole M. Lehman, Esquire*
   • Describe early detection and strategy in obtaining informed consent for treating incapacitated patients
   • Review the legal documents (Advance Directives) permitting surrogate decision-making
   • Discuss the decision-making process for the incapacitated patient without Advance Directives

Tuesday, March 31, 2015

8:00 am Final Registration
8:30 The Road to DSM-V: Is That All There Is?
   Roger Meyer, MD*
   • Compare the differences between DSM-V and previous iterations of DSM and earlier formulations of addiction
   • Discuss the ramifications of the new diagnostic criteria in terms of translational research and medications development
   • Describe the ramifications for the future of parity and the current system of addiction services

8:30 What’s Faith Got to Do With It? Why Understanding Religion and Spirituality Matter in Social Work
   Aamir Hussain
   • Discuss the major beliefs of Islam and foundations for dialogue between Muslims and people of other faiths
   • Describe how non-religious people can contribute to interfaith dialogue
   • Recognize the value of organized religious communities as support systems
   • Explain how religious literacy is an important component of cultural competency

10:00 Break/Visit Exhibitors
10:20 The Place of Attachment in Understanding and Treating Child Abuse and Neglect
   Dan Hughes, PhD
   • Explore how child abuse and neglect places one at risk for seven domains of impairment
   • Describe how both attachment and intersubjectivity are protective factors to reduce the impact of child abuse and neglect
   • Identify six key factors in a comprehensive psychological treatment for child abuse and neglect

11:50 Adjournment

*Qualifies for pediatric trauma hours
