OBJECTIVES

At the completion of this conference, the participant should be able to:

Recognize common diagnoses that can lead to foot and ankle pain in the athletic patient.

Develop treatment strategies to help alleviate pain in the athletic patient.

Understand common surgical solutions for foot and ankle pain in the athlete.

CREDIT

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

CANCELLATION POLICY

The University reserves the right to cancel or postpone any course or activity because of insufficient enrollment or other unforeseen circumstances.
